Compliance Statement for Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

Reference:

1. Regulation EC No 1907/2006 of the European Parliament and of the Council of 18 December 2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
2. ECHA, Candidate list of Substances of Very High Concern (SVHC)
http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

In reference to the European Union REACH regulation and SVHC list, Mill-Max Mfg. Corp. is providing the following information:

Mill-Max does not produce or sell any of the listed substances in their homogeneous form. These substances are not intentionally added during the manufacturing of any Mill-Max products. To our knowledge, our products do not contain the substances described on the ECHA SVHC list.

This information is based on our knowledge of our products and process. The suppliers of the raw materials we use have also verified and communicated the possibility of any SVHC in their respective products. We base our declaration on this knowledge alone. We are providing this information to convey the context of our certification. Testing is not performed for materials and substances that were not intentionally added. No warranty, liability of indemnification is expressed or implied with this information.

Mill-Max maintains surveillance of the ECHA website to obtain the latest information and periodically reviews the SVHC list for changes and additions. We will notify our customers if any change in the regulation requires further action regarding Mill-Max products.
